Howells-Dodge School District #70 Ward 1 (Vote for TWO)	At Polls	Absentees	Total
Jason P. Kreikemeier	183	10	193
Write-Ins	98	2	100
By statute, no one filed a write-in affidavit within ten days of the election, so the write-ins for Howells-Dodge School Board are not tallied and a vacancy will exist January 8, 2015 for the second board member. This is why it is important to file for office.			
Statutes are clear people need to file for office or file a write-in affidavit with-in ten days of any election.			
32-1005. Write-in vote; when valid.			
If the last name or a reasonably close spelling of the last name of a person engaged in or pursuing a write-in campaign pursuant to section 32-615 or 32-633 is written or printed on a line provided for that purpose and the square or oval opposite such line has been marked with a cross or other clear, intelligible mark, the vote shall be valid and the ballot shall be counted. <u>Except as provided in section 32-1007, a write-in vote for a person who is not engaged in or pursuing a write-in campaign pursuant to section 32-615 or 32-633 shall not be counted.</u>

32-1007. Ballots; write-in votes; improper name; rejected.			
For members of a village board of trustees, township officers, or members of the school board of Class I or II school districts, if a first or generally recognized name and last name of a person is filled in on a line provided for that purpose and the square or oval opposite such line has been marked with a cross or other clear, intelligible mark, the vote shall be valid and the ballot shall be counted. If only the last name of a person is in the write-in space on the ballot and there is more than one person in the county having the same last name, the counting board shall reject the ballot for that office unless the last name is reasonably close to the proper spelling of the last name of a candidate engaged in or pursuing a write-in campaign pursuant to section 32-615. The counting board shall make the following notation on the rejected ballot: Rejected for the office of _____, no first or generally recognized name.

Any candidate engaged in or pursuing a write-in campaign shall file a notarized affidavit of his or her intent together with the receipt for any filing fee with the filing officer as provided in section 32-608 no earlier than December 1 and no later than ten days prior to the election. A candidate who has been defeated as a candidate in the primary election or defeated as a write-in candidate in the primary election shall not be eligible as a write-in candidate for the same office in the general election unless a vacancy on the ballot exists pursuant to section 32-625. A candidate who files a notarized affidavit shall be entitled to all write-in votes for the candidate even if only the last name of the candidate has been written if such last name is reasonably close to the proper spelling.
