Date 7-31-2019

Date:

To: Board of Supervisors

From: Fred Mytty, County Clerk 

RE: Fund 2915 Emergency Management Grant Fund

It has come to my attention that Fund 2915 was created to receive reimbursement for having an emergency management office. The additional fund is unnecessary since all the expenses are taken out of the General Fund.

Please allow County Treasurer Bargstadt to close this fund and its \$32,154.76 balance be transferred to the General Fund.
