RE: Farmland, Fremont and Railroad Drainage District, Fremont, Dodge Co., NE

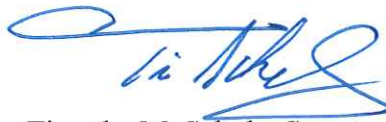

Dear Fred:

The above Drainage District has conveyed by Deed its real estate, which is a dike, to the City of Fremont. The City took title to the property on or about May 15, 2019. As this was essentially the only asset of the District, the District has resolved to dissolve. Therefore, pursuant to § 31-436 of the Revised Statutes of Nebraska, please find enclosed a Notice of Dissolution, which is to be filed with the County Clerk of Dodge County, Nebraska. Accordingly, please file this Notice with your office and provide me with a file-stamped copy of the same or other written notice acknowledging receipt of the filing.

Thank you.

Yours very truly,

FARMLAND, FREMONT AND RAILROAD
DRAINAGE DISTRICT
