Dear Supervisor Missel:

Nebraska Extension is pleased to continue a strong tradition of making a difference in the lives of individuals, families, businesses and communities in Dodge County! Our programs address issues that Nebraskan's have identified as important to our State. These priority program areas are noted on the reverse of this page.

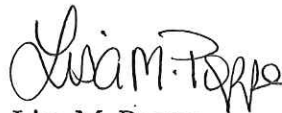

Enclosed you will find local Extension programming and financial summaries for 2019. Specific items include 1) Summary of 2018-19 budget expenditures, 2) Current fiscal year 2019-20 budget, 3) County Impact Report, 4) Brief program summary for each educator and assistant/associate, and 5) Samples of 4-H newsletters, Extension newsletters, major program brochures, etc. that represent 2019 programming.

Thank you for continuing to invest in Nebraska Extension as a local collaborative partner. We strive to be great stewards of resources and work hard every day to demonstrate a strong return on your investment. As you know, Extension educators and assistants live, work and engage with people in your local and area communities. We look forward to making a difference in the lives of Nebraskans together with you!

Sincerely,

Kathy Kneifl
