A Message from the Director, U.S. Census Bureau:

The U.S. Census Bureau is now conducting the Initial Boundary Validation Program (BVP). The Initial BVP is your opportunity, as the Highest Elected Official, to review the Census Bureau's boundary data to ensure the Census Bureau has the correct legal boundary, name, and status for your government. The Census Bureau uses this boundary information to tabulate data for the 2020 Census.

The Initial BVP package includes an Initial BVP form and paper maps, or a CD/DVD containing maps, for your government. The maps should reflect the legal boundary for your government effective on January 1, 2020. **Please review our depiction of your legal boundary for accuracy and return the completed Initial BVP form by March 1, 2020.** Return the completed Initial BVP form by email at <geo.bas@census.gov>, by fax (1-800-972-5652), or using the enclosed postage-paid envelope.

The Initial BVP is conducted in parallel with the 2020 Boundary and Annexation Survey (BAS). If any information is incorrect, please work with your BAS contact to submit corrections. Information for your BAS contact is printed below. If boundary updates are submitted to the BAS by March 1, 2020, you will have an additional opportunity to verify your government's boundaries prior to the final data tabulation for the 2020 Census. Changes received after March 1, 2020 will be used to correct the boundary, but we will not have sufficient time to send you an updated map before final data tabulations.
