---

**Background:** The Nebraska Regional Interoperable Network (NRIN) is a regional and statewide wireless data communications sharing network that is owned by Nebraska's local governments. Its purpose is to connect Public-Safety Answering Points (PSAPs) or 9-1-1 centers. In 2015, Dodge County entered in to an Interlocal Agreement that made the PSAP part of NRIN. As a member county, Dodge County is entitled to nominate candidates for the NRIN Board of Governors. This board oversees and manages the network.

Shelly Holzerland was nominated to the board by the city in 2015. As the Communications Director, she is in the best position to help manage this network and help deliver its benefits not only for Fremont/Dodge County but for all PSAPs in Nebraska. She has faithfully attended the meetings and participated in the activities required to develop and promote this network. Recommendation that Shelly Holzerland be nominated to serve another term on the NRIN Board of Governors.

**Fiscal Impact:** None.
