As part of the grant application, please submit:

- NEMA application excel file (if you prefer to submit a PDF copy, please also submit the excel file)
- A separate itemized budget (with vendor estimates)
- FEMA BCA 6.0 file and supporting documentation <https://www.fema.gov/media-library/assets/documents/179903>

- A Local Match Commitment Letter stating that the jurisdiction is willing and able to fund 25% of the total project cost (local share)

**Please respond to this correspondence within 2-3 days** with dates/times to set up an application-kick-off conference. During this phone call we will discuss what the FEMA application will entail as well as answer any questions you may have. NEMA Mitigation and our contractor, Hagerty Consulting, will provide application technical assistance as you develop your application.

Thank you for your interest in mitigation funding. We applaud your efforts to improve the safety and well-being of your residents, and we look forward to working with you on this project!
