

Agenda Item # 21  
Date 8/12/20

Board Agenda Item

Dodge County Attorney's office brought a matter to the Board in December 2019 to hire a Juvenile Intervention Specialist. Our office has completed interviews and would like to offer the position to a very qualified candidate. We would like to have this position be a county employee. There will be no funding obligation for the County as the grant will reimburse 100% of all wages and benefits.
