Dear Mr. Matousek:

On August 27, 2020, the Nebraska Department of Environment and Energy (NDEE) conducted a site visit at 4924 N. County Road 26, Fremont, Nebraska. Observations at the site indicated the onsite wastewater treatment system did not appear to be failing at that time. Based on this information no further action is anticipated and the Department considers the matter closed. Thank you for your cooperation.

If you have any questions, please feel free to contact me at 402/471-4236.

Sincerely,

Mark A. Lohnes
