DODGE COUNTY, NEBRASKA  
FRED MYTTY, COUNTY CLERK

Pete Ricketts, Governor

Dear Dodge County Clerk:

The Federal Highway Administration and the Federal Transit Administration have jointly issued regulations requiring a separate consultation process with the non-metropolitan officials in order to provide an additional opportunity for input into the development of statewide plans and programs. I would appreciate your input on the FY 2022 through FY 2025 portion of the State Transportation Improvement Plan (STIP).

As a reminder, the STIP is a four-year document, which contains all federally funded FY 2021 projects and all projects that are regionally significant, regardless of funding source. These projects have been through the review process, and are set and fundable. The STIP also contains federally funded projects and all projects that are regionally significant, regardless of funding source from FY 2022 through FY 2025. This is an opportunity to provide input on the FY 2022 through FY 2025 transportation projects included in the STIP.

The Nebraska STIP is available online at: <https://dot.nebraska.gov/projects/publications/>. On the lower left of that page, you can subscribe to be notified when the STIP is updated by clicking on the "Subscribe to Updates via GovDelivery" and then providing your email address. A copy of the STIP is also available for your review at any of the eight NDOT District Offices, please see the enclosed list of District Office locations and contact information. If you are not able to access the document, I would be happy to send you a printed copy upon request.

Please take this opportunity to review the STIP. Your comments/questions should be sent to my attention at the Nebraska Department of Transportation, 1400 Highway 2, PO Box 94759, Lincoln, NE 68509-4759 by December 30, 2020. A response will be provided to all inquiries.

Sincerely,
