Under any items of discussion the Board unanimously received correspondence from the Nebraska Commission on Law Enforcement and Criminal Justice, Jail Standards Board issuing formal notice of noncompliance with the Minimum Jail Standards discovered during the September 9, 2020 on-site evaluation. The notice of noncompliance has to do with computerized documentation, specifically the admission/release form. Chairman Missel asked Supervisor Beam to follow-up with Sheriff Hespen on this matter. Sara Sopinski, acting Interim Dodge County Attorney, reported that work continues to facilitate defense attorneys' ability to electronically communicate with their clients. Video visits cost \$6.80 plus the hourly rate of the defense attorney versus the hourly rate charged by defense attorneys including travel time.

At 9:07 A.M., Chairman Missel adjourned the Board as a Board of Corrections until Wednesday, April 7, 2021 at 9:05 A.M.

He also went on to say that Paul Vaughan has had an extensive career as an attorney and judge and his experience will be a valuable asset to Dodge County.

The Board unanimously approved the grant applications for and authorized the necessary signatures on the 2021 Community-based Juvenile Services Aid and 2021 Juvenile Services Grants. At 9:17 A.M., the Board took a brief recess.

At 9:24 A.M., the Board reconvened as a Board of Supervisors. Chairman Missel dispensed with roll all members being present.

Zoning Administrator Jean Andrews reported that the Dodge County Planning Commission continues their work on the guidelines for the storage and application/disposal of Gypsum and biomass in and around Dodge County as well as developing zoning changes required for the enforcement of Resolution No. RES 2000-001. There will be a public hearing on April 20, 2021 during the next scheduled Dodge County Planning Commission meeting to hear testimony for or against these guidelines and zoning changes. Ms. Andrews also reminded the Board of an upcoming virtual seminar on March 31, 2021 regarding labor and employment law. The NIRMA April regional meetings have been moved to August because of COVID-19.

The Board unanimously approved the request of Highway Superintendent Huppert to advertise for bids for 2021 Applied Traffic Paint Striping and to have the bids opened on April 12, 2021 at 11:00 A.M. in the Dodge County Highway Dept. office.

Highway Superintendent Scott Huppert reported that he has hired one employee and is still looking for a couple more. The wage is an issue; applicants want more money. They are working on pumping out the ditches on Ridge Road which appear to be lower than the river level. They will be filling these with free sand from the Fremont Rod & Gun Club. The Elkhorn River Stabilization Project has hit a snag with FEMA, so Superintendent Huppert went to the Nebraska Emergency Management Agency (NEMA) with his complaint. FEMA says they cannot make a change (to a specific jetty), but Superintendent Huppert says if the change makes the situation better they can do it. FEMA wants to add this as an alternate project which will in turn cause the US Army Corp of Engineers (USACE) to request another study. This could cause another delay in the completion of the project. FEMA and NEMA are supposed to be meeting this afternoon to come up with a resolution to the problem. FEMA projects are moving along and there should be money coming in shortly on those. The Elkhorn and Platte Township flood repair projects should be obligated by tomorrow. The townships that had extensions on their FEMA projects have a few small jobs to be completed worth approximately half to three quarters of a million dollars.

At 9:37 A.M. the Board adjourned as a Board of Supervisors until April 7, 2021 at 9:00 A.M.

A short recess was taken at this time.

At 10:00 A.M., the Board convened as a Board of Equalization. Chairman Missel dispensed with roll all members being present.

The Board unanimously approved tax roll corrections #5311 through #5315.

The Board unanimously approved the request of County Assessor Churchill to rescind action taken at the March 10, 2021 meeting on tax roll correction #5179 and authorized voiding the correction.

At 10:07 A.M., the Board adjourned as a Board of Equalization until Wednesday, April 7, 2021 at 10:00 A.M.
