Your past support of the Nebraska Loess Hills Resource Conservation and Development (RC&D) Council is truly appreciated! Your sponsorship allows the Council to develop and implement projects which improve the quality of life in Burt, Cuming, Dakota, Dodge, Thurston and Washington counties. In 2021, the RC&D Council completed 7 projects including:

- A Household Hazardous Waste collection in Blair with financial help and support from Cargill and the Papio-Missouri River NRD. There was a record turnout of 197 vehicles bringing over 11,200 lbs. of waste. Twenty-four volunteers from Cargill, Papio-Missouri River NRD, City of Blair, and the Nebraska Loess Hills RC&D Council helped make this collection a success.
- An Electronic Waste collection in Bancroft in July. Over 3400 lbs. was collected from 23 households. Six volunteers helped unload computers, TV's and other electronic waste. 95-98% of the material collected will be recycled.
- The coordination with Jackson Pump & Pantry in mounting a tourism rack in their foyer. It will hold brochures of attractions to see along the Lewis & Clark Scenic Byway.
- The work with the community of Pender to get a new sign put up to advertise canoe access for the Logan Creek.

In 2021, RC&D Council Board members and community volunteers organized by the Council donated more than 930 hours to RC&D projects in our local communities. In addition to completing 7 projects, these efforts furthered progress in other ongoing projects. Your support made this possible!

Your support is just as important now than ever!! The RC&D Council is committed to continuing its work. Sponsor support is vital to facilitating RC&D projects. We have enclosed a Sponsorship Renewal Invoice for 2022 in the amount of \$350.00. Projects planned for 2022 include (3) household hazardous waste collections, a scrap tire collection, and several others. These projects save local government and taxpayers significant dollars, preserve resources and protect the environment.
