Good Day!

This letter serves to provide you with the current status of the above application for tax exempt status for 2022.

1. The application for Kingdom Hall of Jehovah Witnesses was received in the Dodge County Assessor's Office on January 5, 2022.
2. The filing deadline was December 31, 2021.
3. Per my email to you dated February 8, 2020 (enclosed), and according to Nebr Title 350, Chapter 40, Reg 40-006.01C (enclosed), the organization filing a late application must request in writing a late waiver from the County Board of Equalization, to allow the County Assessor to process said application. To date, no such correspondence was received.
4. Per the Board's decision at the meeting held on March 9, 2022, the recommendation of the Assessor was accepted, and the application for tax exempt status for 2022 has been denied.

Should you have further questions or concerns, please do not hesitate to contact me.

Thank you.

### Instructions

**Who May File.** An organization that owns real or tangible personal property, except licensed motor vehicles, and is seeking continuation of a property tax exemption must file this Statement of Reaffirmation of Tax Exemption, Form 451A, if:

1. The property is owned by and used exclusively for agricultural and horticultural societies; or
2. The property is:
  - a. Owned by educational, religious, or charitable organizations, or any organization for the exclusive benefit of any educational, religious, or charitable;
  - b. Used exclusively for educational, religious, or charitable;
  - c. Not owned or used for financial gain or profit to either the owner or user;
  - d. Not used for the sale of alcoholic beverages for more than 20 hours per week; AND
  - e. Not owned or used by an organization which discriminates in membership or employment based on race, color, or national origin.

An organization must file an exemption application, Form 451, if new property is acquired or if the property is converted to exempt use.

**When And Where To File.** The Form 451A must be filed on or before December 31 prior to each intervening year, those years not evenly divisible by four, with the county assessor of the county where the property is subject to tax.

**Late Filings/Waivers.** If an organization fails to file a Form 451A on or before December 31, it may file the Form 451A on or before June 30, with the county assessor, to maintain the tax exempt status of the property. Filing by this date nullifies any previous action by the county board of equalization denying the exempt status. If a late filing is made, the county assessor must assess a penalty against the organization in the amount of 10% of the tax that would have been assessed had the statement not been filed or \$100, whichever is less, for each calendar month or fraction thereof for which the filing of the statement missed the December 31 deadline. The penalty may not be waived.

**Specific Instructions.** The completed Form 451A must be retained by the county assessor.
