DODGE COUNTY CLERK'S OFFICE

To the Dodge County Board of Supervisors,

I am in receipt of the letter from Debbie Churchill advising that Lifegate Church missed the December 31, 2021 deadline to apply for tax exempt status for 2022. Our Form 451A application was received at the Assessor's office on January 6, 2022.

This letter is to formally request a late waiver from the County Board of Equalization, in accordance with Nebr Title 350, Chapter 40, Reg 40-006.01C. I acknowledge that we were indeed late with our application and understand if the late waiver is granted we would be responsible for a \$100 late filing penalty.

I appreciate your consideration and welcome any questions you may have. I believe we've updated the application notification email address with the Assessor's office to [AP@discoverlifegate.com](mailto:AP@discoverlifegate.com) so I'm hopeful that future applications will be submitted on time.

Sincerely,

Laren Larson  
Finance Director
