RE: Pre-Application Tiering
Community Development Block Grant – Disaster Recovery (CDBG-DR)
(Grant # B-19-DF-31-0001)
Infrastructure Match Program for Winter Storm Ulmer (DR-4420)

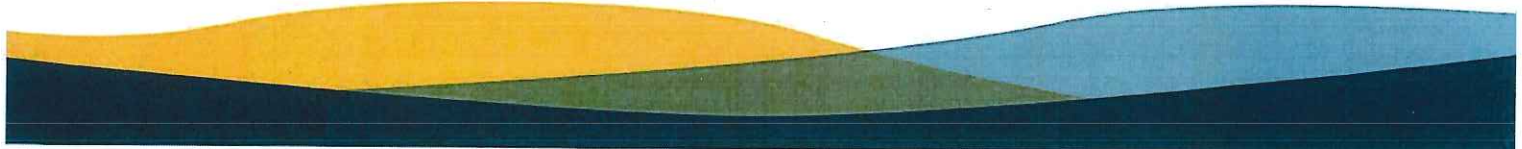

Dear Cuming Township:

Thank you again for submitting the Notice of Intent (NOI) Pre-Application(s) to the Nebraska Department of Economic Development (DED) CDBG-DR Infrastructure Match Program.

To meet the federal requirements of CDBG-DR, DED has been working diligently to review all submitted Pre-Application(s) and individually tier project(s). Consistent with the state's CDBG-DR Action Plan, project tiering consists of sorting projects into **three tiers** according to their impact on the HUD-defined Most Impacted and Distressed Area (MID) areas (Sarpy, Dodge, and Douglas counties), and whether the projects meet the Low-and Moderate Income (LMI) National Objective (see Table 1 below). **Please note that the tiering process is simply a method to prioritize projects and does not constitute an award.**

Table 1: CDBG-DR Infrastructure Match Tiering Criteria

Tier	Description
1	Project is located in a HUD-defined MID area and meets the LMI National Objective.
2	Project is located in a HUD-defined MID or meets the LMI National Objective.
3	Project is not located in the HUD-defined MID and does not meet the LMI National Objective.

This letter serves to notify Cuming Township that DED has completed its review of submitted Pre-Application(s) and has identified the project(s) listed below as Tier 2 based on the tiering criteria. As a result, DED will move into a Detailed Eligibility Review to further confirm eligibility for the project(s) listed in Table 2. **Please note: DED will be in touch regarding tiering for your additional projects, if applicable, through a separate notification. As a reminder, *this notification does not guarantee an award of CDBG-DR funds.***

Next steps for Applicant:

No action is required at this time. Recommended actions:

- Review the Infrastructure Match cross-cutting requirements on [DED's Technical Assistance website](#) for Applicants and bookmark the page for future reference
- If the point of contact for your project(s) has changed, please notify DED at ded.cdbqdr@nebraska.gov.

DED looks forward to moving into the Detailed Eligibility Review, which is expected to be complete within 90 days. During this time, DED may reach out as needed to obtain additional information and documentation. Refer to the Program Guide for additional information about Application and Award process.

Please note: if your organization has determined that it does **NOT** wish to continue with the CDBG-DR Infrastructure Match Program for any of the above projects, please have the Chief Elected Official sign, date, and email the 'Opt Out' letter to DED at ded.cdbqdr@nebraska.gov, advising that the local jurisdiction will not pursue CDBG-DR local match funding for the project(s).

DED appreciates your participation in this opportunity to assist Nebraska's communities with the local match, improving our state's recovery and resiliency in the aftermath of Winter Storm Ulmer (DR-4420) and for future disasters. **If you have questions about the information in this notification, please direct inquiries to Tia Loftin, Infrastructure Program Manager, tia.loftin@nebraska.gov.**

RE: Pre-Application Tiering
Community Development Block Grant – Disaster Recovery (CDBG-DR)
(Grant # B-19-DF-31-0001)
Infrastructure Match Program for Winter Storm Ulmer (DR-4420)

Dear Pebble Township:

Thank you again for submitting the Notice of Intent (NOI) Pre-Application(s) to the Nebraska Department of Economic Development (DED) CDBG-DR Infrastructure Match Program.

To meet the federal requirements of CDBG-DR, DED has been working diligently to review all submitted Pre-Application(s) and individually tier project(s). Consistent with the state's CDBG-DR Action Plan, project tiering consists of sorting projects into **three tiers** according to their impact on the HUD-defined Most Impacted and Distressed Area (MID) areas (Sarpy, Dodge, and Douglas counties), and whether the projects meet the Low-and Moderate Income (LMI) National Objective (see Table 1 below). **Please note that the tiering process is simply a method to prioritize projects and does not constitute an award.**

Table 1: CDBG-DR Infrastructure Match Tiering Criteria

Tier	Description
1	Project is located in a HUD-defined MID area and meets the LMI National Objective.
2	Project is located in a HUD-defined MID or meets the LMI National Objective.
3	Project is not located in the HUD-defined MID and does not meet the LMI National Objective.

This letter serves to notify Pebble Township that DED has completed its review of submitted Pre-Application(s) and has identified the project(s) listed below as Tier 2 based on the tiering criteria. As a result, DED will move into a Detailed Eligibility Review to further confirm eligibility for the project(s) listed in Table 2. **Please note: DED will be in touch regarding tiering for your additional projects, if applicable, through a separate notification. As a reminder, *this notification does not guarantee an award of CDBG-DR funds.***

No action is required at this time. Recommended actions:

- Review the Infrastructure Match cross-cutting requirements on [DED's Technical Assistance website](#) for Applicants and bookmark the page for future reference
- If the point of contact for your project(s) has changed, please notify DED at ded.cdbqdr@nebraska.gov.

DED looks forward to moving into the Detailed Eligibility Review, which is expected to be complete within 90 days. During this time, DED may reach out as needed to obtain additional information and documentation. Refer to the Program Guide for additional information about Application and Award process.

Please note: if your organization has determined that it does **NOT** wish to continue with the CDBG-DR Infrastructure Match Program for any of the above projects, please have the Chief Elected Official sign, date, and email the 'Opt Out' letter to DED at ded.cdbqdr@nebraska.gov, advising that the local jurisdiction will not pursue CDBG-DR local match funding for the project(s).

DED appreciates your participation in this opportunity to assist Nebraska's communities with the local match, improving our state's recovery and resiliency in the aftermath of Winter Storm Ulmer (DR-4420) and for future disasters. **If you have questions about the information in this notification, please direct inquiries to Tia Loftin, Infrastructure Program Manager, tia.loftin@nebraska.gov.**

RE: Pre-Application Tiering
Community Development Block Grant – Disaster Recovery (CDBG-DR)
(Grant # B-19-DF-31-0001)
Infrastructure Match Program for Winter Storm Ulmer (DR-4420)

Dear Dodge County:

Thank you again for submitting the Notice of Intent (NOI) Pre-Application(s) to the Nebraska Department of Economic Development (DED) CDBG-DR Infrastructure Match Program.

To meet the federal requirements of CDBG-DR, DED has been working diligently to review all submitted Pre-Application(s) and individually tier project(s). Consistent with the state's CDBG-DR Action Plan, project tiering consists of sorting projects into **three tiers** according to their impact on the HUD-defined Most Impacted and Distressed Area (MID) areas (Sarpy, Dodge, and Douglas counties), and whether the projects meet the Low-and Moderate Income (LMI) National Objective (see Table 1 below). **Please note that the tiering process is simply a method to prioritize projects and does not constitute an award.**

Table 1: CDBG-DR Infrastructure Match Tiering Criteria

Tier	Description
1	Project is located in a HUD-defined MID area and meets the LMI National Objective.
2	Project is located in a HUD-defined MID or meets the LMI National Objective.
3	Project is not located in the HUD-defined MID and does not meet the LMI National Objective.

This letter serves to notify Dodge County that DED has completed its review of submitted Pre-Application(s) and has identified the project(s) listed below as Tier 2 based on the tiering criteria. As a result, DED will move into a Detailed Eligibility Review to further confirm eligibility for the

project(s) listed in Table 2. Please note: DED will be in touch regarding tiering for your additional projects, if applicable, through a separate notification. As a reminder, *this notification does not guarantee an award of CDBG-DR funds.*

Table 2: Tier 2 Sub-Applicant CDBG-DR Infrastructure Match Projects

Program	Sub-Applicant Name	Project Name	Project Number	Project Tier	Move to Detailed Eligibility Review (Y/N)
HMGP	Dodge County	Platte River Gauge Monitoring Project	22	Tier II	Y
HMGP	Dodge County	State of Nebraska Advance Assistance	19	Tier II	Y
HMGP	Dodge County	North Bend Stormwater System and Drainage Improvements	34	Tier II	Y
