DODGE COUNTY, NEBRASKA
MOKI SILFRY, COUNTY CLERK

Dear Board of Supervisors,

Keep Fremont Beautiful is pleased to announce that we have been awarded funding from the Nebraska Department of Environment and Energy through the Waste Reduction and Recycling Incentive Grant Program, to host a one-day household hazardous waste collection event. **This collection event is scheduled to take place at Christensen Field on Saturday, October 14th from 9:00 a.m. to noon.**

Keep Fremont Beautiful remains dedicated to improving waste handling practices and encouraging citizens to take a greater responsibility for our community environment. We take pride in providing Dodge County residents with the opportunity to safely dispose of their household hazardous waste on an annual basis for 13 years and counting. This free event has helped thousands of Dodge County residents create a cleaner and healthier home environment.

We would like to extend our gratitude for the financial assistance Dodge County has provided in the past. It is our hope that the County will continue to support this effort in 2023 by providing a cash match of \$2,000.00 to assist with event costs. We sincerely appreciate your consideration!

Respectfully,

Casey Vaughan
